WORK EXPERIENCE (PSYCHOLOGY)

8/94 to Present	Licensed Psychologist in Private Practice Ogden, UT
--------------------	--

Work focuses on the evaluation and treatment of all childhood disorders. Theoretical orientation is behavior/cognitive-behavioral. Treatment approaches emphasize parent involvement.

Work also focuses on work with court-involved families, e.g., child custody/parent time evaluations, parent coordinator, and co-parenting counselor services.

8/88 to School Psychologist at Ogden City School District
8/10 Ogden, UT

Duties included development of departmental policies and procedures for student evaluation, including policies and procedures for the evaluation of ethnic and language minority students; staff development; evaluation of students referred for social, emotional, and behavioral disorders, developmental delays, pervasive developmental disorders, and learning disabilities; provision of consultation services to parents and teachers; and supervision of school psychology practicum students and interns.

Early duties included the design and implementation of a district counseling program for elementary at-risk students and the provision of clinical supervision for district counselors and social workers.

1/87 to Psychology Intern at The Children's Center
8/88 Salt Lake City, UT

Duties included evaluation of preschool children referred for emotional and behavioral disorders; provision of individual child therapy; and provision of parent therapy and training.

8/91-6/92 Psychology Resident, Ogden City School District
Ogden, UT

Duties were as presented above.

1/93-6/93 Psychology Resident, Ogden City School District/Weber Human Services
Ogden, UT

Duties included the design, implementation and evaluation of a day treatment program operated conjointly by the school district and Weber Human Services.

ADDITIONAL WORK, PRACTICUM, OR INTERN EXPERIENCES (PSYCHOLOGY)

1/84 -6/84 School Psychology Practicum, Ogden City School District, Ogden, UT
9/83-6/84 Child Therapist Practicum, The Children's Center, Salt Lake City, UT
5/78-9/78 Professional Counselor, Clearfield Job Corps, Clearfield, UT
8/77-1/78 Counselor Intern and Teaching Assistant, Weber State College, Ogden, UT
5/76-1/77 Psychology Intern, Travis County Mental Health, Austin, TX
9/74-6/76 Group Facilitator, Center for Public School Ethnic Studies, University of
Texas at Austin

WORK EXPERIENCE (ADMINISTRATIVE AND STAFF DEVELOPMENT)

6/86-6/87 Director
7/82-5/86 Associate Director
2/78-6/82 Program Coordinator

Mountain West Educational Equity Centers
Weber State College, Ogden, UT

Served as Director and Associate Director for two federally-funded programs that provided technical assistance and training to public school personnel and community members in compliance with civil rights legislation in a seven-state region. Duties included preparing grant proposals, budget and program management, supervision of professional and support staff, development of policies and procedures for service delivery, staff development, and coordination of services with state boards of education.

As Program Coordinator duties involved planning, implementing, and evaluating staff development activities for school administrators, counselors, teachers, school board and other community members, and students. Topics included cultural awareness, human relations, cross-cultural counseling and assessment, multicultural curriculum development, innovative instructional methods, and classroom management.

2/81-7/81 Equity Consultant (on loan from Weber State College)
Center for Cross-Cultural Education
Coalition of Indian-Controlled School Boards
Denver, CO
